

I will Give Away 1/2 of my Economic Stimulus Rebate Check but only if 20 others will too.

— Ariah Fine

More details: Recognizing that the Economic Stimulus rebate checks we will receive in May sole purpose is to be spent to help stimulate the economy, we are willing to follow through, but not as expected.

In a prophetic statement against the rampant consumerist culture that we live in, as a declaration that more money and capitalism will not save us or our economy, and as a statement to those around us that we follow Christ's teachings (Matt. 23) and the only true hope is through him,

We will take a large portion of these government issued checks and begin a 'Giving Spree' to meet the needs of those around us, pressing, important and immediate needs.
